

Delased Syrup for Dry Coughs

Description:

Delased for Dry Coughs is a pleasant tasting, pale orange coloured syrup. Each 5 ml of Syrup contains the following active ingredients:

Diphenhydramine HCl BP	14.0 mg
Dextromethorphan HBr BP	6.5 mg
Sodium Citrate BP	57.0 mg
Menthol BP	2.0 mg

Uses:

Delased Syrup for Dry Coughs soothes and eases irritation caused by coughs. Delased's proven and effective combination of active ingredients provides relief from hacking, dry coughs.

Dosage and Administration:

Delased for Dry Coughs should be taken four times a day as follows:

Adults:

Two 5ml spoonfuls

Children:

6 - 12 years: One 5 ml spoonful
2 - 6 years: Delased Paediatric is recommended

or as directed by a Doctor.

Please note that the stated doses should not be exceeded.

Precautions:

Delased for Dry Coughs should NOT be taken by patients with known hypersensitivity to any of the active ingredients.

It may cause drowsiness and therefore impair the ability to drive or operate machinery. Alcoholic drinks should also be avoided whilst taking Delased for Dry Coughs.

Pregnant women should take the advice of a Doctor or Pharmacist before taking Delased for Dry Coughs.

If symptoms persist, a Doctor should be consulted.

Side-effects:

Side effects are not common with Delased for Dry Coughs and when they occur they are usually mild.

Occasionally dizziness, upset stomach, nausea, vomiting, dry mouth, nose and throat, difficulty in passing urine, or blurred vision may occur.

If any unusual effects are noticed the medicine should be stopped and a Doctor or Pharmacist consulted.

Storage:

Store below 25°C, in a dry and dark place. Keep out of reach of children.
