

PUBLIC ANNOUNCEMENT

03 August 2026

Pursuant to Law N° 003/2018 of 09/02/2018 establishing Rwanda Food and Drugs Authority (Rwanda FDA) and determining its mission, organization and functioning; especially in its Article 9 (2);

Following regulatory inspections and compliance assessments;
Further to the public announcement issued on 2 August 2026 regarding closure of alcoholic beverage manufacturing facilities listed in Annex I;

In the interest of public health, Rwanda FDA informs all manufacturers, distributors, retailers and the general public that the following regulatory actions are in effect immediately:

1. Rwanda FDA hereby closes the manufacturing facilities of alcoholic beverages listed in Annex II and revokes all associated manufacturing licenses.
2. All products originating from these facilities as listed in Annex II are ordered withdrawn from the market.
3. Rwanda FDA instructs manufacturers to immediately initiate a full recall of these products.
4. Rwanda FDA instructs manufacturers to immediately request respective distributors
 - to recall the listed products from their clients,
 - to return current stock and recalled products to the manufacturers' premises.
5. Rwanda FDA instructs manufacturers to submit recall reports within 3 working days.
6. Rwanda FDA instructs all distributors and retailers of the products listed in Annex II to immediately stop their distribution and sale, and return the remaining quantities to their suppliers / distributors / manufacturers with immediate effect.
7. Non-compliance with all the above will result in measures under applicable regulatory provisions.
8. Rwanda FDA calls on consumers to immediately stop consumption of the products listed in Annex II

Note: Another list of concerned manufacturing facilities will be issued in due course as regulatory enforcement continues.

Rwanda FDA appreciates your understanding and cooperation.
